T92 H₂O

Walkie Talkies

GO ANYWHERE

KEEPING YOU CONNECTED ON YOUR WILDEST ADVENTURES

Floating waterproof design¹, rugged construction and up to 10km range², the T92 H₂O keeps you connected with family and friends. The integrated torch has bright white and red modes and will automatically activate on contact with water. Press the emergency alert button to activate a hands-free call and sound a loud warning tone on your radio to signal to others in your group that you need help³. Supplied with rechargeable batteries, USB car charger, belt clips with built-in whistle and a hard carry case, the T92 H₂O has everything you need to stay connected during your wildest adventures.

¹ This radio meets IP67 standards. It will withstand submersion of up to 1m for 30 minutes. Radio floats with included NiMH battery. It may not float with some AA batteries. Use of headset should be in dry environments only.

² The communication range quoted is calculated based on an unobstructed line of sight test under optimum conditions. Actual range will vary depending on terrain and conditions, and is often less than the maximum possible. Your actual range will be limited by several factors including, but not limited to: terrain, weather conditions, electromagnetic interference and obstructions.

³ The Emergency Alert feature should only be used in the event of an actual emergency. Motorola Solutions is not responsible if there is no response to the emergency alert from the receiving group.
